NOTICE OF GRACE PERIOD FOR SBA DISASTER LOAN APPLICATION FILING DEADLINE

The disaster loan application filing deadline date for this disaster is/was Jun 23, 2023 . However, we recognize that it may be very difficult for you to complete the application and return it to SBA by that deadline date. ***Therefore, SBA will accept your application through Jul 8, 2023 .***

If you cannot return the application by Jul 8, 2023 , you must also provide a detailed letter of explanation as to why you did not file before the filing deadline. After Jul 8, 2023 , we will accept the application only if the SBA determines the late filing resulted from substantial causes essentially beyond your control.
